Diary of a Wimpy Kid: Small Town Horror. Diary of a Wimpy Kid: Summer Rodrick Rules. "Diary of a Wimpy Kid," by Jeff Kinney (Hyperion, \$16.99) "First, I have to give it a grade." "B." "What?" "An A-minus, for being one of the best preteen-lit books in years, by a country mile. That said, it's only a B-plus, because the book really only succeeds when the hero is working for you. In other words, we're stuck with Rodrick." "I have a suggestion," I told my family as we flew down I-55. "Is it about Rodrick?" asked my mom. "No," I said. "It's about Thad, from The Little Prince. Do you remember?" "Yes," she said. "I do." "See, Rodrick is almost a stand-in for The Little Prince," I said, starting to explain my idea to them. "He wants to help the other kids, but he doesn't really want to go along with what they're doing. When Thad tried to save the planet, Rodrick didn't want to help him, either. But he didn't realize that all his wishful thinking and thinking about his own needs was just confusing him. It was about how to know what you need and what you want, and then not worry about the consequences. That's Thad's lesson, which is why he was my favorite character in this book. But Rodrick is teaching the same lesson, the one about the consequences of your actions, in a different way." "Your book is supposed to be fun," said my dad. "It is. But it's also serious." "What's the point of a story if it's not a joke?" "It's about the real world, Dad. That's the point. You guys should read it." "I have, many times." "But just not the last one." "And what's that supposed to mean?" I didn't 82157476af
